Health Sciences Assistant Clinical Professor: The UC Davis Department of Anesthesiology and Pain Medicine is recruiting for a Health Sciences Assistant Clinical Professor who will instruct medical students, residents and fellows in all areas of anesthesiology; conduct medical research in anesthesiology; and work in the UC Davis Medical Center operating rooms, providing general, regional and ambulatory anesthesia.

This position requires: a medical degree (MD, DO or first professional medical degree); training in Anesthesiology, including completion of internship and residency training in Anesthesiology; a California Medical License at the time of commencement of employment.

Applicants should complete an online application profile and upload the following application materials electronically by September 1, 2017 to be considered for the position: Curriculum vitae; cover letter which includes a statement of teaching experience and research and clinical interests, a statement of contributions to diversity, and the contact information for 3-4 references.

To apply, please visit: https://recruit.ucdavis.edu/apply/JPF01589. This recruitment is conducted at the assistant rank. The resulting hire will be at the assistant rank, regardless of the proposed appointee's qualifications.

UC Davis commits to inclusion excellence by advancing equity, diversity and inclusion in all that we do. We are an Affirmative Action/Equal Opportunity employer, and particularly encourage applications from members of historically underrepresented racial/ethnic groups, women, individuals with disabilities, veterans, LGBTQ community members, and others who demonstrate the ability to help us achieve our vision of a diverse and inclusive community. For the complete University of California nondiscrimination and affirmative action policy see: http://policy.ucop.edu/doc/4000376/NondiscrimAffirmAct. If you need accommodation due to a disability, please contact the recruiting department.

Under Federal law, the University of California may employ only individuals who are legally able to work in the United States as established by providing documents as specified in the Immigration Reform and Control Act of 1986. Certain positions funded by federal contracts or sub-contracts require the selected candidate to pass an E-Verify check. More information is available http://www.uscis.gov/e-verify.

UC Davis is a smoke & tobacco-free campus (http://breathefree.ucdavis.edu/).
